

DECLARATION AND POWER OF ATTORNEY

As a below named inventor, I hereby declare that:

Our residence, post office addresses and citizenship are as stated below next to our names.

I (We) believe I (we) am (are) the original, first and sole inventor(s) (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled:

MOBILE STATION TRAFFIC ROUTING

the specification of which is attached hereto.

I (We) hereby state that I (we) have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment specifically referred to above.

I (We) acknowledge the duty to disclose information which is material to patentability as defined in 37 C.F.R. §1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.

I (We) hereby appoint practitioners named below:

<u>NAME</u>	<u>Reg. No.</u>
Lynn S. Cassan	32,378
P. Scott Maclean	39,543
Arturo A. Brion	51,374
Allan P. Millard	43,397

as my/our attorney(s) or agent(s), with full power of substitution and revocation, to prosecute this application and to transact all business in the Patent and Trademark Office connected therewith.

Unless otherwise directed in an Associate Power of Attorney, direct all correspondence to:
Cassan Maclean, Suite 401, 80 Aberdeen St., Ottawa, Ontario CANADA K1S 5R5.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that wilful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001 and that such wilful false statements may jeopardize the validity of the application or any patent issued thereon.
